Subject: 7 days/week hours of operations supporting documents

Hi John,

Our restaurant operated 7 days per week breakfast til late night from the start when we purchased the business and property effective 12/28/2021. This 7 day per week 8am-10pm Sun-Thurs, 8am-12am Fri-Sat hours of operation is consistent with the historic hours of operation over the past years spanning several owners.

We reduced our hours in mid-May because of limited staffing availability due to the effect of the global economy and lingering effects that COVID has placed on the overall service industry workforce.

I am reluctant to provide private company data to be entered into the public record. However, the attached documents support our 7 days per week 8am-midnight hours of operation prior to mid-May of 2022.

The attached Daily Sales reports show sales every day of the month in April. The May report shows that in mid-May we adopted our current temporary hours where we are closed on Mondays and Tuesdays.

The attached time card reports show that we had employees clocked in as early as 6:30 am daily and clocked out past 11:30 pm until mid-May.

We continue to build our restaurant staff roster and hope to return to 7 days/week restaurant operations as soon as possible.

Note: Our McIver Outpost store hours of operation have remained 7 days per week 8am-8pm since our purchase 12/28/2021 which is consistent with its historical hours of operation.
